

## **HOW TO MAKE A COMPLAINT ABOUT A RESTRICTED OR THREATENING ANIMAL**

You can call Animal Enforcement at **403-347-2388** or fill out a Witness Statement at the Town office or through the Town's website. Animal Enforcement and the Town's Bylaw Officers are working together to keep our parks and neighborhoods safe from threatening animals. Please help by notifying someone immediately about any incident you have had. Thank you for your cooperation.
