Community feedback allows the Town to gather information from its residents to approach future planning and development with citizen input and engagement. The Municipal Sustainability Plan addresses ways to move the Town toward sustainable development. What can residents do to ensure Blackfalds a sustainable future?
Please take a few moments to answer these questions. The Town welcomes your input and thanks you.

Please return questionnaire to: Fax: (780) 416-9091 or

Respondent Information:

Age: (Check Mark) ○ Under 18 ◉ 19-30 ○ 31-40 ○ 41-50 ○ 51-65 ○ Over 65

Sustainability as defined by the World Commission on Environment and Development in 1987 is: **"Meeting the needs of the present generations without compromising the ability of future generations to meet their needs".**

1. What does a "sustainable community" mean to you? Describe it.

2. What do you value about Blackfalds as it is today?

3. What changes would you like to see to attain a more self-reliant community?

4. List ways you and other citizens could help to make this happen.
