2017 Municipal Election

CANDIDATE REGISTRY

This listing is not a listing of Candidates for the Municipal General Election. It is a listing of individuals who have expressed an interest in becoming candidates and wish to engage in campaign fundraising activities in support of their upcoming campaign. Individuals who file their notice of intent to become Candidates are permitted to begin fundraising and receive donations for their campaign. Anyone intending to self-fund their campaign is not required to file a notice of intent, in accordance with the Local Authorities Election Act, section 147.21

If you intend to run as a Candidate and will be fundraising, you will need to file a notice of intent before you can begin receiving donations for your campaign. Be advised that upon filing a Notice of Intent to become a candidate you will be required to file financial disclosure documents within 6 months following the Election, whether you file Nomination Papers or ultimately decide not to run for office.

The individuals listed below have filed their notice of intent to become Candidates. Following Nomination Day (September 18, 2017) a list of official Candidates will be published indicating which office the individual is seeking.
