RULES AND REGULATIONS

In order to ensure a safe and rewarding Parade Day for both the participants and the audience, we will enforce the following rules and regulations. Please read the following documentation carefully and ensure that all members associated with your entry are familiar with these rules and regulations.

1. To ensure proper judging and space allotment, we require the completed entry form no later than **4:30 p.m. on May 24, 2019**.
2. All entries wishing to be judged must be at the marshalling area on **June 15, 2019** by **9:00 a.m.** Please ensure that all facets of your entry are ready to be judged by 9:30 a.m.
3. **No parking is allowed at the parade site.** Please arrange to have your float decorated before arriving at the marshalling area.
4. Entries will be judged in one category only.
5. For safety reasons **candy or advertising items** may only be handed out along the parade route. Due to safety concerns, no items can be thrown from any vehicles.
6. Protective equipment, especially helmets, must be worn for rollerblading, biking and skateboarding.
7. To ensure the comfort and safety of all spectators viewing the parade, **water guns or apparatus that shoots water** or other material are strictly prohibited.
8. All vehicles must be clean and decorated to a minimum of 80%.
9. All drivers must have a valid driver's license and may be asked to present their license when they arrive at the marshalling area. All entries must allow the driver a 180-degree view of the route at all times.

11. The parade route has limited turning allowance so to ensure the safety of all spectators viewing the parade, no semi truck units will be allowed. Trucks pulling a flat deck trailer should not exceed a trailer length of 30 feet.
12. In the case of an emergency with participants of the audience, parade participants must **move to the right** of the Parade route to allow clear, unhindered access for Emergency Vehicles which are normally located in the marshalling area.
